The screenshot shows the Visual Studio Code editor interface. The Explorer sidebar on the left lists files: `INTERTRIBE`, `contact.html`, `course.html`, `form.html` (selected), `INDEX.HTML`, and `table.html`. The main editor area displays the content of `form.html`. The code is an HTML document with a form structure. It includes a `<html>` tag with `lang="en"`, a `<head>` section, and a `<body>` section containing a `<form>` element. The form is a table with multiple rows and columns. The first row contains a phone number input field and a select dropdown for country codes (+91, +41, +11). The second row contains a select dropdown for gender (male, female, other). The third row contains a select dropdown for skill level (beginner, intermediate, advanced). The fourth row contains a select dropdown for favorite color. The code is as follows:

```
1 <html lang="en">
2 <head>
3
12 <center><form>
13 <table>
26 <tr>
33 </tr>
34 <tr>
35 <td>phone number:</td>
36 <td><select>
37 <option>select your code</option>
38 <option>+91</option>
39 <option>+41</option>
40 <option>+11</option>
41 </select>
42 </td>
43 <td><input type="tel" placeholder="enter your phone number"></td>
44 </tr>
45 <tr>
46 <td>
47 <select your gender:
48 </td>
49 <td><input type="radio" name="gender" >male</td>
50 <td><input type="radio" name="gender" >female</td>
51 <td><input type="radio" name="gender" >other</td>
52 </tr>
53 <tr>
54 <td>choose your skill level:</td>
55 <td><input type="radio" name="skill" >beginner
56 <input type="radio" name="skill" >intermediate
57 <input type="radio" name="skill" >advanced</td>
58 </tr>
59 <tr>
60 <td>
61 <select your favourite colour:
62 </td>
63 <td><input type="color" name="color"></td>
```

The status bar at the bottom indicates the current file is `form.html`, line 46, column 21, with 4 spaces, UTF-8 encoding, CRLF line endings, and HTML file type. It also shows the Go Live extension icon.
